### Christmas Toy Drive

The PhillipCares Foundation holds annual Christmas Toy Drives for underprivileged children in the Houston area. The third annual drive is to be held December 12, 2009. Our mission is to develop a positive future for our “at risk children” by building their self-esteem, providing opportunities for their advancement, and giving them hope to pursue their dreams.

Our vision for PhillipCares Foundation is to provide children of all socio-economic and cultural backgrounds with the tools they need to achieve in life. We are committed to supporting our children and creating a generation of educated, passionate, confident, and environmentally conscious leaders. Building a 21st century state-of-the art eco-friendly learning facility for young minds will help us to achieve these goals. Also through our annual scholarships to students entering college and our numerous community-based initiatives and this year’s Christmas Toy Drive targeted at over 400 children, we know we begin to make a difference in the lives of our youth. Please join us in our efforts, with your support, we know we can make this possible!

This packet contains detailed information regarding the PhillipCares Foundation 3<sup>rd</sup> Annual Toy Drive, as well as how your company/organization can get involved in supporting Texas’ disadvantaged children event, and reinforce your company’s commitment to community outreach, student success, and diversity. With your support we can begin to work towards achieving solutions.
